

Custom model airport based on:

Gdańsk Airport 1/500

Prepared and designed for:

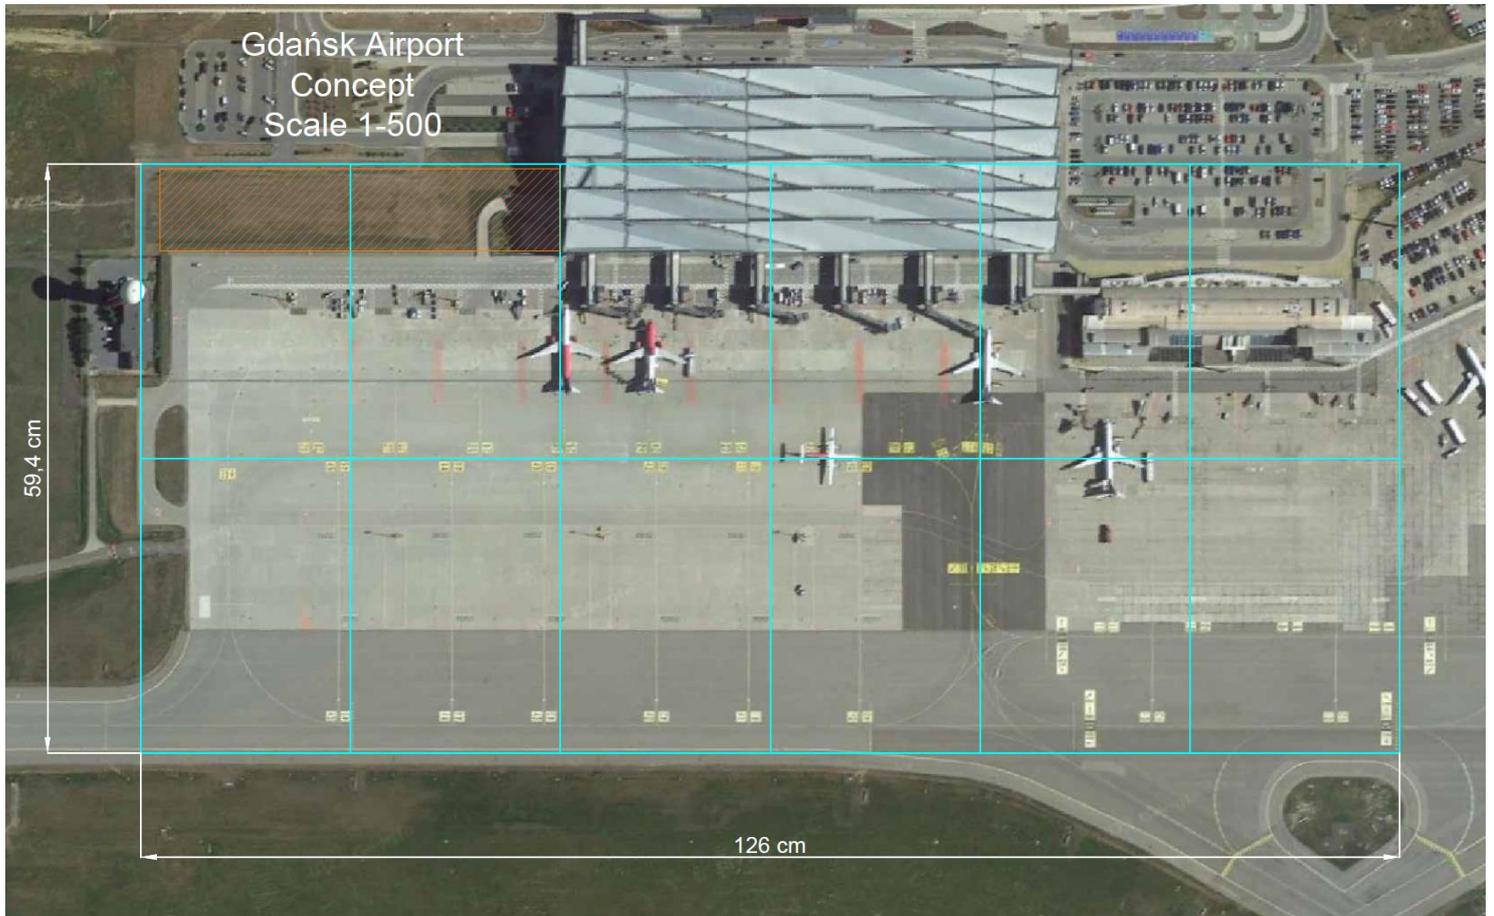

Your name

Model Airports in A4 format

Custom Model Airport

Designed by Gentleman Group Sp. z o.o. (Ltd)

Concept prepared by us

Final Concept for you!

We have prepared a final concept of your project to show you what the final version might look like. Your model will consist of 12 elements. The dimensions of the whole model can be seen in the photo above. The model will be prepared for possible future demolition. We hope that you will like the our concept!

If you wish, we can prepare one demonstration board (demo version)!

Gentleman Group Sp. z o.o. (Ltd)
Twarda 18, 00-105 Warsaw Poland

What we do next?

1. Placing an order

If you accept our test version and offer, we will prepare to design the rest of the project. We will start this process after payment of 50% of the project value. If you decide, we will send you the relevant document and payment information. We are waiting for your decision!

2. Design proces

Once you have placed your order we will begin to design further pieces. In the meantime we will keep you informed about our successes or difficulties. Due to the size of the project and its detail, the design process will take min. 10 working days.

Forecast date for completion of the design phase:

3. Preparing your order for shipment

Once the design work is completed, we prepare for printing and preparation of the entire order. The process of preparing the whole thing for shipment should take no more than 3 working days. After receiving the rest of the payment your order will be sent to you by courier.

Estimated date of arrival of model airport to you:
